Do you know us yet? We're a tax-exempt public charity and a source of funding behind many of your favorite community activities. Grants from the Shelby Community Foundation have supported the Shelby Township Art Fair Award, the DARE program for local 6th graders, the bike safety rodeo, the library concert series, and annual college scholarships, just to name a few.

Since our modest beginnings with a handful of supporters in 1996, the SCF has grown to encompass hundreds of contributors, scores of volunteers, and over half a million dollars in assets. These revenues come from community members just like you, who want to improve Shelby Township. We choose to give where we live.

Interested? Check us out. You'll find us, your neighbors and friends, helping out in our hometown. Go to www.ShelbyCommunityFoundation.com for a copy of our latest newsletter or call 586-909-5305 for more information.

Located at 4863 River Bends Drive

(east of Ryan between Auburn and 22 Mile Roads)

Open to Boys and Girls ages 10-18 and includes:

- A thorough gun safety and operation lesson
- One-on-one instruction on proper form, aiming, and firing of a shotgun at a clay thrown target
- Each youth will shoot at approximately 25 clay targets
- Participants should bring a shotgun of their choosing, but a limited number of 20 gauge guns will be available for use.
- 12 gauge and 20 gauge target shells will be provided, but shooters are welcome to bring their own "light target" shells
